

CANCELLATION OF A TENDER PROCEDURE

II.1.1) Contract Notice Title: Supply of fire-fighting equipment under the project “Cross-Border Cooperation in Forest Fire Fighting”, financed by Interreg – IPA CBC Programme R.Bulgaria – R.N.Macedonia, 2014-2020

Lot no.: 2

Title: Fire-fighting equipment

II.1.1) Contract Notice Reference Number: Ref. № CB006.2.12.122-05

Section V: Award of contract

Contract No: N/A

Lot No: 2

Title: Fire-fighting equipment

A contract/lot is awarded: No.

V.1) Information on non-award

The lot 2 is not awarded:

Justification: The economic or technical data of the project have fundamentally changed.

Additionally on the meeting with the fire units and fire brigades from the cross-border region were examined and discussed the specifications of items requested in LOT 2 and were raised concerns that equipment with such specifications would not be compatible with already existing gear. Such equipment and gear would not meet the needs of the target group.

Thus, the tender procedure for LOT 2 shall be discontinued and re-launched when the specifications are more precise.

VI.3) Additional information:

Should a new tender procedure be launched for this project, a new contract notice will be published, unless the contracting authority awards the contract through a negotiated procedure – in which case only the award of the contract will be published.
